Vision Statement

"To be an outstanding school, providing a stimulating educational environment enabling students to achieve their full potential."

14th May 2021

Dear Parents/Carers,

On the 9th March we launched a consultation with parents in regards to adjusting the timing of the school day. I was extremely grateful to receive feedback from a number of parents. Much of the feedback was supportive of the changes.

One key area, which was raised related to transport and ensuring that students could access bus travel. As part of the consultation, we liaised with various bus companies and timings around various routes appear to ensure that all students can arrive at School on time.

From the 1st September 2021, we will therefore be moving the timings of the school day as follows:-

	New Times as of 1st September 2021
Registration	08.30
Period 1	08.40
Period 2	09.40
Break 1	10.40
Period 3	11.10
Period 4	12.10
Break 2	13.10
Literacy Intervention Time	13.40
Period 5	14.10
School finishes	15.10

As stated in my previous letter, I firmly believe that these changes will have a positive effect on your child's education through improved levels of literacy, which I am confident will lead to improved academic outcomes.

Thank you once again for your continued support.

Yours sincerely

James Rodgers
