7. In-year admissions	6
8. Appeals	6
9. Monitoring arrangements	6

1. Aims

This policy aims to:

Explain how to apply for a place at the school

Set out the school's arrangements for allocating places to the pupils who apply

Explain how to appeal against a decision not to offer your child a place

2. Legislation and statutory requirements

This policy is based on the following advice from the Department for Education (DfE):

School Admissions Code 2021

School Admission Appeals Code

The school is required to comply with these codes, and with the law relating to admissions as set out in the School Standards and Framework Act 1998.

As an academy, the school is required by its funding agreement to comply with these codes, and with the law relating to admissions as set out in the School Standards and Framework Act 1998.

This policy complies with our funding agreement and articles of association.

3. Definitions

The **normal admissions round** is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

Looked after children are children who, at the time of making an application to a school, are:

In the care of a local authority, or

Being provided with accommodation by a local authority in exercise of its social services functions

Previously looked after children are children who were looked after, but ceased to be so because they:

Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or

Became subject to a child arrangements order, or

Became subject to a special guardianship order

This includes children who appear to have been in state care outside of England and have ceased to be in state care due to being adopted.

A child reaches **compulsory school age** on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

4. How to apply

For applications in the normal admissions round you should use the application form provided by your home local authority (regardless of which local authority the schools are in). You can use this form to express your preference for a minimum of three state-funded schools, in rank order.

You will receive an offer for a school place directly from your local authority

5. Requests for admission outside the normal age group

Parents are entitled to request a place for their child outside of their normal age group.

Decisions on requests for admission outside the normal age group will be made based on the circumstances of each case and in the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

Parents' views

Information about the child's academic, social and emotional development

Where relevant, their medical history and the views of a medical professional

Whether they have previously been educated out of their normal age group

Whether they may naturally have fallen into a lower age group if it were not for being born prematurely

The Head of School's view

Wherever possible, requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered based on the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 6. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group.

Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

6. Allocation of places

6.1 Admission number

The school has an agreed admission number of 150 student's entry in Year 7.

6.2 Oversubscription criteria

All children whose education, health and care (EHC) plans name the school will be admitted before any other places are allocated.

If the school is not oversubscribed, all applicants will be offered a place.

In the event that the school receives more applications than the number of places it has available, places will be given to those children who meet any of the criteria set out below, in order until all places are filled. Highest priority will be given to looked after children and all previously looked after children who apply for a place at the school.

1. Looked after and previously looked after children (see Note 1)
2. Exceptional social/medical need (see Note 2)
3. Siblings (See Note 3)
4. Children for whom the school is the nearest to their home address (see Notes 4 & 5)
5. Any other children (see Note 5)

1. Looked After and Previously Looked After Children

Looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children will be considered to be:

- children who are in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989, e.g. fostered or living in a children's home, at the time an application for a school is made; and

- children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989 and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

Places will be allocated under this criterion when places are first offered at this school. The school may be required to admit over its published admission number at other times under this criterion.

2. Exceptional Social/Medical Need

Occasionally there will be a very small number of children for whom exceptional social or medical circumstances apply which will warrant a placement at Bishop David Brown School. The exceptional social or medical circumstances might relate to either the child or the parent/carer. Supporting evidence from a professional is required such as a doctor and/or consultant for medical cases or a social worker, health visitor, housing officer, the police or probation officer for other social circumstances. This evidence must confirm the circumstances of the case and must set out why the child should attend Bishop David Brown School and why no other school could meet the child's needs.

Providing evidence does not guarantee that a child will be given priority at this school and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at Bishop David Brown School above any other.

Common medical conditions and allergies can usually be supported in all mainstream schools, therefore priority under the school's exceptional medical criterion would not normally be given for these. In addition, routine child minding arrangements would not normally be considered to be an exceptional social reason for placement at this school.

Places may be allocated under this criterion when places are first offered at the school and the local authority may also ask schools to admit over their published admission number at other times under this criterion.

3. Siblings

A sibling will be considered to be a brother or sister (that is, another child of the same parents, whether living at the same address or not), a half-brother or half-sister or a step-brother or step-sister or an adoptive or foster sibling, living as part of the same family unit at the same address.

A child will be given sibling priority if they have a sibling on roll at the school and that sibling is still expected to be on roll at the school at the time of the child's admission.

4. Nearest School

The nearest school is defined as the school closest to the home address with a published admission number for pupils of the appropriate age-range, as measured by a straight line and which has admitted children without regard to faith or boarding in the initial allocation of places in 2018, 2019 and 2020.

5. Home Address

The child's home address excludes any business or childminder's address and must be the child's normal place of residence. It also excludes any relative's address unless the child lives at that address as their normal place of residence. Where the child is subject to a child arrangements order and that order stipulates that the child will live with one parent/carer more than the other, the address to be used will be the one where the child is expected to live for the majority of the time. For other children, the address to be used will be the address where the child lives the majority of the time. In other cases, where the child spends an equal time between their parents/carers, it will be up to the parent/carers to agree which address to use. Where a child spends their time equally between their parents/carers and they cannot agree on who should make the application, we will accept an application from the parent/carer who is registered for child benefit. If neither parent is registered for child benefit we will accept the application from the parent/carer whose address is registered with the child's current school.

A temporary address will not generally be accepted if the main carer of the child still possesses or rents a property that has previously been used as a home address, nor will we accept a temporary address if we believe it has been used solely or mainly to obtain a school place when an alternative address is still available to that child. All distances will be measured using Surrey County Council's Geographical Information System to the nearest school measuring point to the home address.

The address to be used for the initial allocation of places will be the child's address at the closing date for application. Changes of address may be considered if there are exceptional reasons behind the change, such as if a family has just moved to the area. The address to be used for waiting lists, after the initial allocation, will be the child's current address. Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Applicants have a responsibility to notify the school of any change of address.

6. Tie break

Tie breaker and the admission of twins, triplets, other multiple births or siblings born in the same academic year

Where two or more children share a priority for a place, e.g. where two children live equidistant from a school, random allocation will be used to determine which child should be given priority at the point of allocation.

In the case of multiple births, where children have equal priority for a place, random allocation will be used to determine which child should be given priority. If after the allocation, one or more places can be offered but there are not sufficient places for all of them, wherever it is logistically possible, each child will be

offered a place. Where it is not logistically possible to offer each child a place the child(ren) to be offered the last remaining place(s) will be determined by their rank position.

7. Challenging behaviour

We will not refuse to admit a child on behavioural grounds in the normal admissions round or at any point in the normal year of entry. We may refuse admission in certain cases where the specific criteria listed in the School Admissions Code (paragraph 3.8) apply, i.e. where section 87 of the School Standards and Framework Act 1998 is engaged.

We may refuse admission for an in-year applicant for a year group that is not the normal point of entry, only in such a case that we have good reason to believe that the child may display challenging behaviour that may adversely affect the provision we can offer. In this case, we will refer these pupils to the Fair Access Protocol. We will not refuse admission on these grounds to looked after children, previously looked after children and children with EHC plans listing the school.

8. Fair Access Protocol

We participate in Surrey's Fair Access Protocol. This helps ensure that all children, including those who are unplaced and vulnerable, or having difficulty in securing a school place in-year, get access to a school place as quickly as possible.

9. In-year admissions

Parents can apply for a place for their child at any time outside the normal admissions round. As is the case in the normal admissions round, all children whose EHC plans name the school will be admitted.

Likewise, if there are spaces available in the year group you are applying for, your child will be offered a place

If there are no spaces available at the time of your application, your child's name will be added to a waiting list for the relevant year group. When a space becomes available, it will be filled by one of the pupils on the waiting list in accordance with the oversubscription criteria listed in section 6.3 of this policy. Priority will not be given to children on the basis that they have been on the waiting list the longest.

Applications for in-year admissions should be sent to the following address:

Parents will be notified of the outcome of your in-year application in writing within 15 school days.

10. Appeals

If your child's application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. If you wish to appeal, you must set out the grounds for your appeal in writing and send it to Surrey County Council

11. Home to School Transport

Surrey County Council has a Home to School Transport policy that sets out the circumstances that children might qualify for free home to school transport.

Generally, transport will only be considered if a child is travelling more than three miles to the nearest school with a place. Transport will not generally be provided to a school that is further away if a child would have been offered a place at a nearer school had it been named as a preference on the application form, although exceptions may apply to secondary aged children whose families are on a low income if they are travelling to one of their three nearest schools and to children whose nearest school is out of County but over the statutory walking distance.

Eligibility to transport is not linked to the admission criteria of this school. In considering admission criteria and school preferences it is important that applicants also consider the home to school transport policy so they might take account of the likelihood of receiving free transport to this school before making their application. A full copy of Surrey's Home to School Transport policy is available on Surrey's website at www.surreycc.gov.uk or from the Surrey Schools and Childcare Service on 0300 200 1004.

Monitoring arrangements

This policy will be reviewed and approved by the Local Governing Body every year.

Whenever changes to admission arrangements are proposed (except where the change is an increase to the agreed admission number), the governing board will publicly consult on these changes. If nothing changes, it will publicly consult on the school's admission arrangements at least once every 7 years.
